

# Do

An easier to use, more adaptable  
new generation task chair

orangebox

## Product Description

The result of taking a completely fresh look at task chair design, DO does more with less. DO is innovative in terms of the materials used, the way it's assembled and transported, and the powerful performance it delivers.

People come in all shapes and sizes and with shared workspaces becoming increasingly common there's a growing need for simple, adaptable seating.

Thanks to user-centred design and a weight balancing mechanism, DO doesn't have multitude of knobs and levers to find and struggle with. In fact, we've increased the range of adjustment on offer, while at the same time simplifying how it's delivered, making DO easier to set up and intuitive to use.

**Top** - DO-HBA, **Bottom** - DO-HBHA

## Product Specification

### Standard Product Description

**Castors:** 65mm Hard Black Castor.

**Glides:** Fixed Glides on counter-height chairs. Available at no additional cost on all other models.

**Base:** 26 inch Black Nylon Base as standard, with removable collar to aid recycling.

**Mechanism:** Standard Mechanism. Synchronous and weight balancing action with up to 20 deg of recline. Non locking to encourage movement throughout the day.

**Arms:** Adjustable Arms as standard (HBA, HBHA, HBCA). Arms are colour matched to backrest, available in Black, White or Stone. Black TPU, soft touch armpad with 100mm of height adjustment.

**Backrest Frame:** Available in Black, White or Stone.

**Backrest Upholstery Plate:** Available in Black, White, Stone, Grey or Leaf Green.

**Backrest Material:** Black 'technical' mesh, Sheer mesh or Grey 'upholstered' mesh.

**Lumbar Pad:** Black, flexible TPU pad with 100mm of height adjustment.

**Headrest:** Frame colour matched to backrest and upholstery cover matched to seat cover.

**Gas Lift:** Black, powder coated steel barrel on task chairs with Black extra-height lift and foot-ring fitted to counter-height chairs.

**Seat:** Black seat pan with 76mm of seat depth adjustment. Integrated seat height and seat depth controls.

**Seat Cushion:** Combustion Modified High Resilient (CMHR) moulded foam. Seamless cover for fabric upholstery and panelled cover for leather or vinyl.

### Optional Upcharges

**Castors:**

50mm Hard Black Castor (for nylon base),  
50mm Soft Black Castor (for nylon base),  
65mm Soft Black Castor (for nylon base) or  
65mm Soft Black Castors (for aluminium base).

**Base:** Polished Aluminium Base as an upcharge.

**Mechanism:** Mechanism with Travel Limiter.

**Upholstery:** Luxury seat upholstery. If vinyl upholstery is required, the luxury upholstery charge will be incurred.

**Coat Hanger:** Available as an upcharge.

### Product Certification

**Intertek Sustainability Clean Air Product Certification**

Clean Air certification provides proof that products have been independently tested and found to conform to VOC standards and to the ANSI/ BIFMA Furniture Emissions Standards. All Orangebox products\* have achieved Gold certification, excluding laminate products which achieve a Silver certification.

\*With the exception of Fielding Tables.
