

Dedicated space for office meetings

 **Hush**
acoustic
office
solutions

We provide separate mobile spaces, replacing stress with harmony & peace.

Hush Meet is an additional, independent space for your office. It allows you to conduct meetings in a comfortable environment. Advanced acoustic solutions effectively isolate sounds. Additionally, closed-form provides a feeling

of privacy. Thanks to this, all participants of meetings organized in Hush Meet can feel at ease and naturally. It is the excellent alternative to cabinets and small conference rooms. What's more, you can set it wherever you want!

— Hush Meet is a perfect place for:

Private meetings

Creative work

Group video conferences

HR interviews

— Why is the Hush Meet a unique office solution?

Mobility

You can move the pod without disassembly.

Dimensions

It occupies space needed for two standard workstations.

Acoustics

The upholstery and double glass with acoustic film effectively absorb sound.

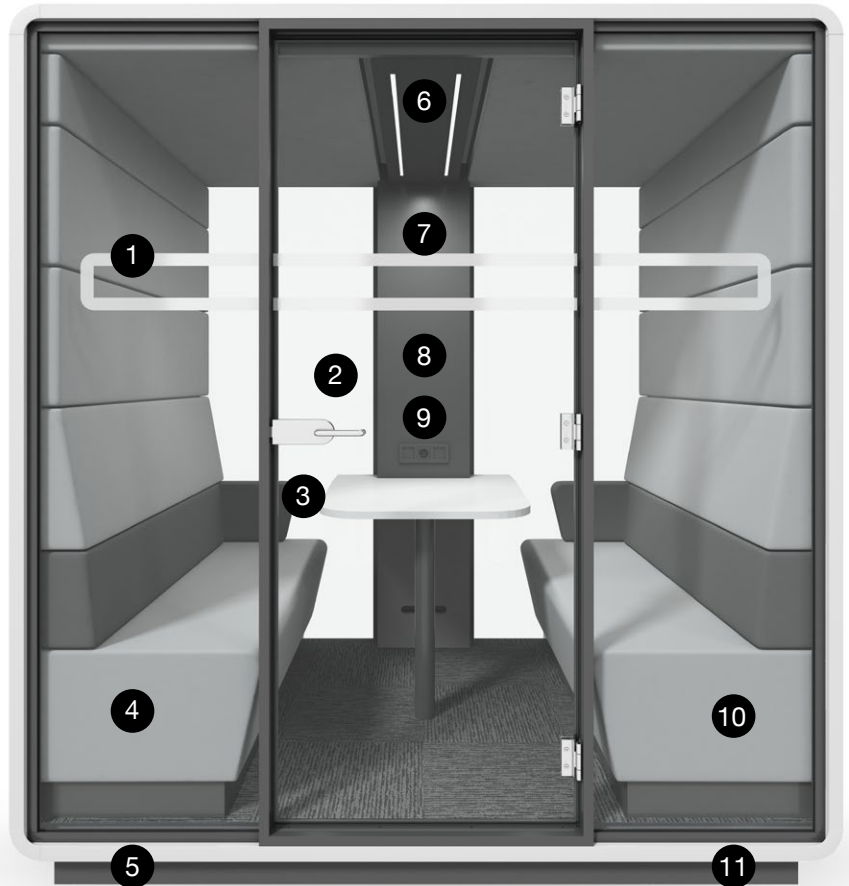

Facilities

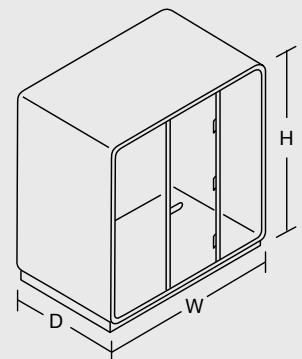

Hush Meet is an independent space powered by electricity, providing comfortable conditions during the meeting.
