

FIFTY-FULL

The Fifty-Full reception counter is a new version of Fifty-Fifty. Equipped with high and low modules, this new reception counter is especially well-suited to welcome DDA wheelchair users. Also available in Timber finish, Fifty-Full is both modern and functional.

1

2

1. Support square leg at the junction of the tops and connection kit of modules.
2. Reception shelf for visitors, with elegant 45° mitre cut.

Technical description

Structure made of Structurex®, thickness 25 mm.

2 mm ABS edging.

Structurex® facing, 25 mm thickness assembled with 45° mitre cut, serving as reception shelf for visitors. It is available with or without pre-equipped internal and outside LED.

Desktops are fitted with 2 pre-drilled 80 mm diameter port holes for the cable management.

Corner modules or intermediate modules can be added to complete the reception counter and additional units can be added indefinitely .

Panel
