

STRICTO SENSU MANAGE

The aesthetics of the Stricto Sensu executive desk are both vintage and modern with the revisited arch leg perfectly matching the thickness of the top. An executive desk with generous work surface associated with a storage unit within reach, Stricto Sensu combines a light, contemporary style and forges character in particular with the chrome finish of the leg.

1. Matching thicknesses between the ribbon leg and the worktop. 2. Practical pedestal return for extra storage and more generous workspace. 3. Clever cable routing from the worktop to the pedestal return via the top access hatch.

Technical description
